SUPPORTING

# THE BIG BUILD

*Build Today, Lead Tomorrow!*

POTA's exciting \$6,000,000 capital campaign will expand our preschool's footprint with new classrooms, a children's library, a STEAM center, and innovative communal spaces that will transform our community!

After the performance, families will have the opportunity to contribute gifts of all sizes to help raise our building and open infinite new pathways of learning for our children.

**Spice up our campaign to help us build a place where we grow the leaders of tomorrow!**
